#### HOME

#### Welcome

Welcome to the Iowa Electrical Licensing and Inspection website. From this site you will be able to apply for an electrician license, renew your license, get a duplicate license, create and view your personal license account, purchase an electrical permit, or request inspections by clicking on the appropriate icon to the right.

- For more information on electrician licensing and permitting/inspections please visit the [Department of Inspections, Appeals, & Licensing - Building and Construction](#).
- To find out who does the permitting and inspections in your area visit our [Inspectors By County](#) and click on the county where you are working.

▼ Next Steps

**Step 1: Complete Checklist** (In Progress) Complete Checklist

Step 2: Upload Attachments (If Applicable) Optional Attachments

Step 3: Submit Application

Step 4: Pay Fees

▼ Application Instructions

External Instructions | Application Checklist

The following information is usually required during the application process:

- Fees: Calculated and paid after internal approval

Follow the prompts and complete the checklist. For Unclassified License, submit that you are applying via work experience. For reciprocated Journeyman License, you will have to attach your license and information from your State. If you have any issues or questions about reciprocity, contact the Electrical Examining Board at: [elecinfo@dia.iowa.gov](mailto:elecinfo@dia.iowa.gov) or (515) 725-6147.
